**TO THE PARENTS AND GUARDIANS OF \_\_\_\_\_,**

We are very excited to be starting yet another school year with everyone! We want to begin by welcoming our new students to the program. We look forward to getting to know your family throughout the school year. We would also like to welcome back our returning students. To ensure we have the smoothest transition into this school year, we would like to make both students and parents aware of how the program will be operating.

First, we'd like to share some very exciting news! We have developed a learning lab to give your child(ren) a quite and constructive environment to work on their schoolwork. The learning lab will house six laptops that will be available during several designated times throughout the day. These laptops will allow them to have access to any online material they are being assigned at school. The learning lab will also have a workspace for children to complete any paper copies of their assignments.

To make sure all children are accommodated this school year, we have spent a great deal of time developing the daily schedule. There will be several times throughout the day designated for the children to work on their assigned schoolwork. Each morning there will be an art activity planned for the children to develop their creative skills. Additionally, each day there will be a game or martial arts activity for the children to improve their physical education. Because of the development and the growth of opportunities available for the students of the United Karate Camp Program, the rates will be adjusted accordingly.

Payment is due every Monday for the week. If you are interested in an automatic payment system, please contact one of the instructors to fill out the required paperwork. There is more detail that can be referred to in the registration paperwork. If there are any other questions concerning payment, please speak with Shihan Ryan or Sensei River at the front desk.

Finally, to provide the best experience possible, we want to express the importance of communication between the instructors and the parents. Please let us know in advance if your student will not be attending camp on a specific day. We will continue the use of Bloomz for easy parent and staff communication. The access code for our group on Bloomz is QGNEJ6.

We greatly appreciate your cooperation, and all of us here at United Fitness look forward to getting to know your family over the school year! If you have any questions or concerns, please feel free to stop in or give us a call.

**SINCERELY,  
UNITED KARATE CAMP STAFF**
